

**It is the responsibility of the Lay leader to
Complete the Canterbury Service Form in a timely manner**

Jan Elliot would like this by **Monday morning** (she can't enter any services after the 8am on Sunday because of the time of the Canterbury service).

The book is in chronological order and the form reports it exactly in the same format of the book. If you fill out a paper form or call it in she is going to ask you to please do it on the website for two reasons:

1. It is in the exact order she needs the information
2. She gets a copy that she can keep in her E-mail
